| Host                       | Rabbit                                                                                                                                                                                                                                                       |
| Category                   | Antikörper                                                                                                                                                                                                                                                   |
| Application                | ELISA, IHC, WB                                                                                                                                                                                                                                               |
| Species Reactivity         | Human                                                                                                                                                                                                                                                        |
| Immunogen                  | E.coli-derived human Tafazzin/TAZ recombinant protein (Position: M73-R292).                                                                                                                                                                                  |
| Product Description        | Boster Bio Anti-Tafazzin/TAZ Antibody Picoband catalog A00933. Tested in ELISA, IHC, WB applications. This antibody reacts with Human. The brand Picoband indicates this is a premium antibody that guarantees superior quality, high affinity, and stron... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                   |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molecular Weight           | Observed Molecular Weight: 33 kDa. Calculated Molecular Weight: 33 kDa                                                                                                                                                                                       |
| NCBI                       | <a href="#">6901</a>                                                                                                                                                                                                                                         |

|                    |                                                                                                                             |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------|
| UniProt            | <a href="#">Q16635</a>                                                                                                      |
| Buffer             | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg NaN <sub>3</sub> .            |
| Purity             | Immunogen affinity purified.                                                                                                |
| Form               | Lyophilized                                                                                                                 |
| Target             | Tafazzin                                                                                                                    |
| Application Dilute | Western blot, 0.25-0.5µg/ml, Human Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml, Human ELISA, 0.1-0.5µg/ml, - |
