| Article Name               | Anti-LTBR Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                                                                               |
| Biozol Catalog Number      | BOB-A00942-2-CY3                                                                                                                             |
| Supplier Catalog Number    | A00942-2-Cy3                                                                                                                                 |
| Alternative Catalog Number | BOB-A00942-2-CY3-100UG                                                                                                                       |
| Manufacturer               | Boster Bio                                                                                                                                   |
| Host                       | Rabbit                                                                                                                                       |
| Category                   | Antikörper                                                                                                                                   |
| Application                | FC                                                                                                                                           |
| Species Reactivity         | Human                                                                                                                                        |
| Immunogen                  | E.coli-derived human LTBR recombinant protein (Position: Q31-Q404). Human LTBR shares 67% amino acid (aa) sequence identity with mouse LTBR. |
| Clonality                  | Polyclonal                                                                                                                                   |
| NCBI                       | <a href="#">4055</a>                                                                                                                         |
| UniProt                    | <a href="#">P36941</a>                                                                                                                       |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                 |
| Purity                     | Immunogen affinity purified.                                                                                                                 |
| Form                       | Liquid                                                                                                                                       |

|                    |                                                     |
|--------------------|-----------------------------------------------------|
| Target             | Tumor necrosis factor receptor superfamily member 3 |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells       |
