### Anti-TIRAP Antibody Biotin Conjugated, Rabbit, Polyclonal BOB-A00950-1-BIOTIN

|                            |                                                                                                                                                 |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-TIRAP Antibody Biotin Conjugated, Rabbit, Polyclonal                                                                                       |
| Biozol Catalog Number      | BOB-A00950-1-BIOTIN                                                                                                                             |
| Supplier Catalog Number    | A00950-1-Biotin                                                                                                                                 |
| Alternative Catalog Number | BOB-A00950-1-BIOTIN-100UG                                                                                                                       |
| Manufacturer               | Boster Bio                                                                                                                                      |
| Host                       | Rabbit                                                                                                                                          |
| Category                   | Antikörper                                                                                                                                      |
| Application                | ELISA, IHC, WB                                                                                                                                  |
| Species Reactivity         | Human                                                                                                                                           |
| Immunogen                  | E.coli-derived human TIRAP recombinant protein (Position: P10-S221). Human TIRAP shares 74% amino acid (aa) sequence identity with mouse TIRAP. |
| Clonality                  | Polyclonal                                                                                                                                      |
| NCBI                       | <a href="#">114609</a>                                                                                                                          |
| UniProt                    | <a href="#">P58753</a>                                                                                                                          |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                    |
| Purity                     | Immunogen affinity purified.                                                                                                                    |
| Form                       | Liquid                                                                                                                                          |

|                    |                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------|
| Target             | Toll/interleukin-1 receptor domain-containing adapter protein                                              |
| Application Dilute | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
