## Product Datasheet

### Anti-Mannose 6 Phosphate Receptor (Cation independent)/IGF2R Antibody Picoband FITC Conjugated, Rabbit, Polyclonal BOB-A00951-FITC

|                            |                                                                                                                    |
|----------------------------|--------------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-Mannose 6 Phosphate Receptor (Cation independent)/IGF2R Antibody Picoband FITC Conjugated, Rabbit, Polyclonal |
| Biozol Catalog Number      | BOB-A00951-FITC                                                                                                    |
| Supplier Catalog Number    | A00951-FITC                                                                                                        |
| Alternative Catalog Number | BOB-A00951-FITC-100UG                                                                                              |
| Manufacturer               | Boster Bio                                                                                                         |
| Host                       | Rabbit                                                                                                             |
| Category                   | Antikörper                                                                                                         |
| Application                | FC                                                                                                                 |
| Species Reactivity         | Human, Mouse, Rat                                                                                                  |
| Immunogen                  | E. coli-derived human IGF2R recombinant protein (Position: F424-R529).                                             |
| Clonality                  | Polyclonal                                                                                                         |
| Molecular Weight           | Calculated Molecular Weight: 50408 MW                                                                              |
| NCBI                       | <a href="#">3482</a>                                                                                               |
| UniProt                    | <a href="#">P11717</a>                                                                                             |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .        |
| Purity                     | Immunogen affinity purified.                                                                                       |

|                    |                                                 |
|--------------------|-------------------------------------------------|
| Form               | Liquid                                          |
| Target             | Cation-independent mannose-6-phosphate receptor |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells   |
