| Article Name               | Anti-Topoisomerase II alpha/TOP2A Antibody Picoband PE Conjugated, Rabbit, Polyclonal                                                                         |
| Biozol Catalog Number      | BOB-A00953-PE                                                                                                                                                 |
| Supplier Catalog Number    | A00953-PE                                                                                                                                                     |
| Alternative Catalog Number | BOB-A00953-PE-100UG                                                                                                                                           |
| Manufacturer               | Boster Bio                                                                                                                                                    |
| Host                       | Rabbit                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                    |
| Application                | FC                                                                                                                                                            |
| Species Reactivity         | Human                                                                                                                                                         |
| Immunogen                  | A synthetic peptide corresponding to a sequence in the middle region of human Topoisomerase II alpha/TOP2A, identical to the related mouse and rat sequences. |
| Clonality                  | Polyclonal                                                                                                                                                    |
| Molecular Weight           | Calculated Molecular Weight: 50408 MW                                                                                                                         |
| NCBI                       | <a href="#">7153</a>                                                                                                                                          |
| UniProt                    | <a href="#">P11388</a>                                                                                                                                        |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                                  |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | DNA topoisomerase 2-alpha                     |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
