## Product Datasheet

### **Anti-Cystatin C/Cst3 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal BOB-A00961-3-HRP**

|                            |                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------|
| Article Name               | Anti-Cystatin C/Cst3 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal           |
| Biozol Catalog Number      | BOB-A00961-3-HRP                                                                    |
| Supplier Catalog Number    | A00961-3-HRP                                                                        |
| Alternative Catalog Number | BOB-A00961-3-HRP-100UG                                                              |
| Manufacturer               | Boster Bio                                                                          |
| Host                       | Rabbit                                                                              |
| Category                   | Antikörper                                                                          |
| Application                | ELISA, IHC, WB                                                                      |
| Species Reactivity         | Mouse, Rat                                                                          |
| Immunogen                  | E. coli-derived mouse Cystatin C recombinant protein (Position: A21-A140).          |
| Clonality                  | Polyclonal                                                                          |
| NCBI                       | <a href="#">13010</a>                                                               |
| UniProt                    | <a href="#">P21460</a>                                                              |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> . |
| Purity                     | Immunogen affinity purified.                                                        |
| Form                       | Liquid                                                                              |

|                    |                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------|
| Target             | Cystatin-C                                                                                                 |
| Application Dilute | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
