| Alternative Catalog Number | BOB-A01141-100UL                                                                                                                                 |
| Manufacturer               | Boster Bio                                                                                                                                       |
| Host                       | Rabbit                                                                                                                                           |
| Category                   | Antikörper                                                                                                                                       |
| Application                | IF, IHC, WB                                                                                                                                      |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                |
| Immunogen                  | Synthetic peptide, corresponding to amino acids 20-70 of Human 14-3-3 zeta.                                                                      |
| Product Description        | Boster Bio Anti-14-3-3 Zeta (V52) YWHAZ Antibody catalog A01141. Tested in WB,IHC,IF applications. This antibody reacts with Human,Mouse,Rat.... |
| Clonality                  | Polyclonal                                                                                                                                       |
| Concentration              | 1 mg/ml                                                                                                                                          |
| Molecular Weight           | 27745 MW                                                                                                                                         |
| UniProt                    | <a href="#">P63104</a>                                                                                                                           |
| Buffer                     | Rabbit IgG, 1mg/ml in PBS with 0.02% sodium azide, 50% glycerol, pH7.2                                                                           |

|                    |                                                 |
|--------------------|-------------------------------------------------|
| Form               | Liquid                                          |
| Application Dilute | WB: 1:500-1:1000 IHC: 1:50-1:200 IF: 1:50-1:200 |
