| Alternative Catalog Number | BOB-A01147-2-FLUORO594-100UG                                                                                                                                                             |
| Manufacturer               | Boster Bio                                                                                                                                                                               |
| Host                       | Rabbit                                                                                                                                                                                   |
| Category                   | Antikörper                                                                                                                                                                               |
| Application                | FC                                                                                                                                                                                       |
| Species Reactivity         | Human                                                                                                                                                                                    |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human Angiopoietin-like 4/ANGPTL4, which shares 94.7% amino acid (aa) sequence identity with mouse and rat ANGPTL4. |
| Clonality                  | Polyclonal                                                                                                                                                                               |
| Molecular Weight           | Calculated Molecular Weight: 45214 MW                                                                                                                                                    |
| NCBI                       | <a href="#">51129</a>                                                                                                                                                                    |
| UniProt                    | <a href="#">Q9BY76</a>                                                                                                                                                                   |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                              |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | Angiopoietin-related protein 4                |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
