| Article Name               | Anti-CPS1 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                             |
| Biozol Catalog Number      | BOB-A01320-2-FITC                                                                                           |
| Supplier Catalog Number    | A01320-2-FITC                                                                                               |
| Alternative Catalog Number | BOB-A01320-2-FITC-100UG                                                                                     |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | FC                                                                                                          |
| Species Reactivity         | Human, Monkey, Mouse, Rat                                                                                   |
| Immunogen                  | E.coli-derived human CPS1 recombinant protein (Position: N124-E379).                                        |
| Clonality                  | Polyclonal                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 60066 MW                                                                       |
| NCBI                       | <a href="#">1373</a>                                                                                        |
| UniProt                    | <a href="#">P31327</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |
| Form                       | Liquid                                                                                                      |

|                    |                                                       |
|--------------------|-------------------------------------------------------|
| Target             | Carbamoyl-phosphate synthase [ammonia], mitochondrial |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells         |
