## Product Datasheet

**Anti-FER Antibody Picoband HRP Conjugated, Rabbit, Polyclonal**  
**BOB-A01630-3-HRP**

|                            |                                                                                                            |

| Article Name               | Anti-FER Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                                              |
| Biozol Catalog Number      | BOB-A01630-3-HRP                                                                                           |
| Supplier Catalog Number    | A01630-3-HRP                                                                                               |
| Alternative Catalog Number | BOB-A01630-3-HRP-100UG                                                                                     |
| Manufacturer               | Boster Bio                                                                                                 |
| Host                       | Rabbit                                                                                                     |
| Category                   | Antikörper                                                                                                 |
| Application                | ELISA, IHC, WB                                                                                             |
| Species Reactivity         | Human, Mouse, Rat                                                                                          |
| Immunogen                  | E.coli-derived human FER recombinant protein (Position: M1-R804).                                          |
| Clonality                  | Polyclonal                                                                                                 |
| NCBI                       | <a href="#">2241</a>                                                                                       |
| UniProt                    | <a href="#">P16591</a>                                                                                     |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                        |
| Purity                     | Immunogen affinity purified.                                                                               |
| Form                       | Liquid                                                                                                     |
| Target                     | Tyrosine-protein kinase Fer                                                                                |
| Application Dilute         | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
