| Article Name               | Anti-XPG/ERCC5 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                                                                                            |
| Biozol Catalog Number      | BOB-A01770-2-HRP                                                                                                                                               |
| Supplier Catalog Number    | A01770-2-HRP                                                                                                                                                   |
| Alternative Catalog Number | BOB-A01770-2-HRP-100UG                                                                                                                                         |
| Manufacturer               | Boster Bio                                                                                                                                                     |
| Host                       | Rabbit                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                     |
| Application                | ELISA, IHC, WB                                                                                                                                                 |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                              |
| Immunogen                  | E.coli-derived human XPG/ERCC5 recombinant protein (Position: K115-R964). Human XPG/ERCC5 shares 66.6% amino acid (aa) sequence identity with mouse XPG/ERCC5. |
| Clonality                  | Polyclonal                                                                                                                                                     |
| Molecular Weight           | Calculated Molecular Weight: 133 kDa                                                                                                                           |
| NCBI                       | <a href="#">2073</a>                                                                                                                                           |
| UniProt                    | <a href="#">P28715</a>                                                                                                                                         |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                                                                            |
| Purity                     | Immunogen affinity purified.                                                                                                                                   |

|                    |                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------|
| Form               | Liquid                                                                                                     |
| Target             | DNA excision repair protein ERCC-5                                                                         |
| Application Dilute | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
