| Category                   | Antikörper                                                                                                                                                                       |
| Application                | FC                                                                                                                                                                               |
| Species Reactivity         | Mouse, Rat                                                                                                                                                                       |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human NMU, which shares 64% and 56% amino acid (aa) sequence identity with mouse and rat NMU, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                       |
| NCBI                       | <a href="#">10874</a>                                                                                                                                                            |
| UniProt                    | <a href="#">P48645</a>                                                                                                                                                           |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                                                     |
| Purity                     | Immunogen affinity purified.                                                                                                                                                     |
| Form                       | Liquid                                                                                                                                                                           |

|                    |                                                                     |
|--------------------|---------------------------------------------------------------------|
| Target             | Neuromedin-U [Cleaved into: Neuromedin precursor-related peptide 36 |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells                       |
