| Article Name               | Anti-Tigit Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                        |
| Biozol Catalog Number      | BOB-A01962-1-FLUORO594                                                                                       |
| Supplier Catalog Number    | A01962-1-Fluoro594                                                                                           |
| Alternative Catalog Number | BOB-A01962-1-FLUORO594-100UG                                                                                 |
| Manufacturer               | Boster Bio                                                                                                   |
| Host                       | Rabbit                                                                                                       |
| Category                   | Antikörper                                                                                                   |
| Application                | FC                                                                                                           |
| Species Reactivity         | Mouse, Rat                                                                                                   |
| Immunogen                  | E.coli-derived mouse Tigit recombinant protein (Position: T29-G249).                                         |
| Clonality                  | Polyclonal                                                                                                   |
| Molecular Weight           | Calculated Molecular Weight: 30570 MW                                                                        |
| NCBI                       | <a href="#">100043314</a>                                                                                    |
| UniProt                    | <a href="#">P86176</a>                                                                                       |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                 |
| Form                       | Liquid                                                                                                       |

|                    |                                                |
|--------------------|------------------------------------------------|
| Target             | T-cell immunoreceptor with Ig and ITIM domains |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells  |
