| Alternative Catalog Number | BOB-A02509-3-100UL                                                                                                              |
| Manufacturer               | Boster Bio                                                                                                                      |
| Host                       | Rabbit                                                                                                                          |
| Category                   | Antikörper                                                                                                                      |
| Application                | WB                                                                                                                              |
| Species Reactivity         | Human, Mouse, Rat                                                                                                               |
| Immunogen                  | Synthetic peptide, corresponding to the 207-252 of Human FPR1.                                                                  |
| Product Description        | Boster Bio Anti-FPR1 (I207) Antibody catalog A02509-3. Tested in WB applications. This antibody reacts with Human,Mouse,Rat.... |
| Clonality                  | Polyclonal                                                                                                                      |
| Concentration              | 1 mg/ml                                                                                                                         |
| Molecular Weight           | 38446 MW                                                                                                                        |
| UniProt                    | <a href="#">P21462</a>                                                                                                          |
| Buffer                     | Rabbit IgG, 1mg/ml in PBS with 0.02% sodium azide, 50% glycerol, pH7.2                                                          |
| Form                       | Liquid                                                                                                                          |

|                    |                  |
