| Species Reactivity         | Mouse, Rat                                                                                                                                                                                                                                                   |
| Immunogen                  | E.coli-derived mouse 2B4/Cd244 recombinant protein (Position: Q20-N374).                                                                                                                                                                                     |
| Product Description        | Boster Bio Anti-2B4/Cd244 Antibody Picoband catalog A02527-1. Tested in ELISA, IHC, WB applications. This antibody reacts with Mouse, Rat. The brand Picoband indicates this is a premium antibody that guarantees superior quality, high affinity, and s... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                   |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molecular Weight           | Observed Molecular Weight: 65-75 kDa. Calculated Molecular Weight: 42 kDa                                                                                                                                                                                    |
| NCBI                       | <a href="#">102927459</a>                                                                                                                                                                                                                                    |

|                    |                                                                                                                                  |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------|
| UniProt            | <a href="#">Q07763</a>                                                                                                           |
| Buffer             | Each vial contains 4 mg Trehalose, 0.9 mg NaCl and 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                     |
| Purity             | Immunogen affinity purified.                                                                                                     |
| Form               | Lyophilized                                                                                                                      |
| Target             | Natural killer cell receptor 2B4                                                                                                 |
| Application Dilute | Western blot, 0.25-0.5µg/ml, Mouse, Rat Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml, Mouse ELISA, 0.1-0.5µg/ml, - |
