| Article Name               | Anti-RPAP3 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                                                                                                                   |
| Biozol Catalog Number      | BOB-A03391-1-HRP                                                                                                                                                                  |
| Supplier Catalog Number    | A03391-1-HRP                                                                                                                                                                      |
| Alternative Catalog Number | BOB-A03391-1-HRP-100UG                                                                                                                                                            |
| Manufacturer               | Boster Bio                                                                                                                                                                        |
| Host                       | Rabbit                                                                                                                                                                            |
| Category                   | Antikörper                                                                                                                                                                        |
| Application                | ELISA, IHC, WB                                                                                                                                                                    |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                 |
| Immunogen                  | E.coli-derived human RPAP3 recombinant protein (Position: R84-E604). Human RPAP3 shares 78.5% and 77.9% amino acid (aa) sequence identity with mouse and rat RPAP3, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                        |
| Molecular Weight           | Calculated Molecular Weight: 52588 MW                                                                                                                                             |
| NCBI                       | <a href="#">79657</a>                                                                                                                                                             |
| UniProt                    | <a href="#">Q9H6T3</a>                                                                                                                                                            |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                                                                                               |
| Purity                     | Immunogen affinity purified.                                                                                                                                                      |
| Form                       | Liquid                                                                                                                                                                            |

|                    |                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------|
| Target             | RNA polymerase II-associated protein 3                                                                     |
| Application Dilute | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
