| Article Name               | Anti-MAPK13 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                                                                                                |
| Biozol Catalog Number      | BOB-A03594-FLUORO550                                                                                                                                                                  |
| Supplier Catalog Number    | A03594-Fluoro550                                                                                                                                                                      |
| Alternative Catalog Number | BOB-A03594-FLUORO550-100UG                                                                                                                                                            |
| Manufacturer               | Boster Bio                                                                                                                                                                            |
| Host                       | Rabbit                                                                                                                                                                                |
| Category                   | Antikörper                                                                                                                                                                            |
| Application                | FC                                                                                                                                                                                    |
| Species Reactivity         | Human                                                                                                                                                                                 |
| Immunogen                  | E.coli-derived human MAPK13 recombinant protein (Position: L328-L365). Human MAPK13 shares 94.7% and 89.5% amino acid (aa) sequence identity with mouse and rat MAPK13, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                            |
| Molecular Weight           | Calculated Molecular Weight: 52588 MW                                                                                                                                                 |
| NCBI                       | <a href="#">5603</a>                                                                                                                                                                  |
| UniProt                    | <a href="#">O15264</a>                                                                                                                                                                |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                                                          |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | Mitogen-activated protein kinase 13           |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
