| Article Name               | Anti-HADHA Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                                                                   |
| Biozol Catalog Number      | BOB-A03666-2-APC                                                                                                                                                                  |
| Supplier Catalog Number    | A03666-2-APC                                                                                                                                                                      |
| Alternative Catalog Number | BOB-A03666-2-APC-100UG                                                                                                                                                            |
| Manufacturer               | Boster Bio                                                                                                                                                                        |
| Host                       | Rabbit                                                                                                                                                                            |
| Category                   | Antikörper                                                                                                                                                                        |
| Application                | FC                                                                                                                                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                 |
| Immunogen                  | E.coli-derived human HADHA recombinant protein (Position: R20-N758). Human HADHA shares 86.6% and 95.2% amino acid (aa) sequence identity with mouse and rat HADHA, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                        |
| Molecular Weight           | Calculated Molecular Weight: 83 kDa                                                                                                                                               |
| NCBI                       | <a href="#">3030</a>                                                                                                                                                              |
| UniProt                    | <a href="#">P40939</a>                                                                                                                                                            |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                       |
| Purity                     | Immunogen affinity purified.                                                                                                                                                      |

|                    |                                                   |
|--------------------|---------------------------------------------------|
| Form               | Liquid                                            |
| Target             | Trifunctional enzyme subunit alpha, mitochondrial |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells     |
