| Alternative Catalog Number | BOB-A04213-1-FLUORO550-100UG                                                                                                                                                   |
| Manufacturer               | Boster Bio                                                                                                                                                                     |
| Host                       | Rabbit                                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                                     |
| Application                | FC                                                                                                                                                                             |
| Species Reactivity         | Human                                                                                                                                                                          |
| Immunogen                  | E.coli-derived human NEU3 recombinant protein (Position: H36-D414). Human NEU3 shares 68.8% and 67.7% amino acid (aa) sequence identity with mouse and rat NEU3, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                     |
| Molecular Weight           | Calculated Molecular Weight: 48 kDa                                                                                                                                            |
| NCBI                       | <a href="#">10825</a>                                                                                                                                                          |
| UniProt                    | <a href="#">Q9UQ49</a>                                                                                                                                                         |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                                                   |
| Purity                     | Immunogen affinity purified.                                                                                                                                                   |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | Sialidase-3                                   |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
