### Anti-GALNT2 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal BOB-A04458-1-BIOTIN

|                            |                                                                                                                                                       |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-GALNT2 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                                                                   |
| Biozol Catalog Number      | BOB-A04458-1-BIOTIN                                                                                                                                   |
| Supplier Catalog Number    | A04458-1-Biotin                                                                                                                                       |
| Alternative Catalog Number | BOB-A04458-1-BIOTIN-100UG                                                                                                                             |
| Manufacturer               | Boster Bio                                                                                                                                            |
| Host                       | Rabbit                                                                                                                                                |
| Category                   | Antikörper                                                                                                                                            |
| Application                | ELISA, IHC, WB                                                                                                                                        |
| Species Reactivity         | Human, Rat                                                                                                                                            |
| Immunogen                  | E.coli-derived human GALNT2 recombinant protein (Position: H442-Q571). Human GALNT2 shares 96.9% amino acid (aa) sequence identity with mouse GALNT2. |
| Clonality                  | Polyclonal                                                                                                                                            |
| NCBI                       | <a href="#">2590</a>                                                                                                                                  |
| UniProt                    | <a href="#">Q10471</a>                                                                                                                                |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                          |
| Purity                     | Immunogen affinity purified.                                                                                                                          |
| Form                       | Liquid                                                                                                                                                |

|                    |                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------|
| Target             | Polypeptide N-acetylgalactosaminyltransferase 2                                                            |
| Application Dilute | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
