| Manufacturer               | Boster Bio                                                                                                                            |
| Host                       | Rabbit                                                                                                                                |
| Category                   | Antikörper                                                                                                                            |
| Application                | WB                                                                                                                                    |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                     |
| Immunogen                  | A synthetic peptide of human TNPO1(NP_002261.3).                                                                                      |
| Product Description        | Boster Bio Anti-Transportin-1 TNPO1 Antibody catalog A04463. Tested in WB applications. This antibody reacts with Human,Mouse,Rat.... |
| Clonality                  | Polyclonal                                                                                                                            |
| Concentration              | 1 mg/ml                                                                                                                               |
| Molecular Weight           | 102355 MW                                                                                                                             |
| UniProt                    | <a href="#">Q92973</a>                                                                                                                |
| Buffer                     | Rabbit IgG, 1mg/ml in PBS with 0.02% sodium azide, 50% glycerol, pH7.2                                                                |

|                    |                  |
|--------------------|------------------|
| Form               | Liquid           |
| Application Dilute | WB: 1:200-1:1000 |
