| Article Name               | Anti-WIPF1 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                                               |
| Biozol Catalog Number      | BOB-A04501-2-FITC                                                                                                                                              |
| Supplier Catalog Number    | A04501-2-FITC                                                                                                                                                  |
| Alternative Catalog Number | BOB-A04501-2-FITC-100UG                                                                                                                                        |
| Manufacturer               | Boster Bio                                                                                                                                                     |
| Host                       | Rabbit                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                     |
| Application                | FC                                                                                                                                                             |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                              |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human WIPF1, which shares 95% amino acid (aa) sequence identity with mouse and rat WIPF1. |
| Clonality                  | Polyclonal                                                                                                                                                     |
| NCBI                       | <a href="#">7456</a>                                                                                                                                           |
| UniProt                    | <a href="#">O43516</a>                                                                                                                                         |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                                   |
| Purity                     | Immunogen affinity purified.                                                                                                                                   |
| Form                       | Liquid                                                                                                                                                         |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Target             | WAS/WASL-interacting protein family member 1  |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
