### Anti-MAFG Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal BOB-A04636-2-BIOTIN

|                            |                                                                                                                                    |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-MAFG Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                                                  |
| Biozol Catalog Number      | BOB-A04636-2-BIOTIN                                                                                                                |
| Supplier Catalog Number    | A04636-2-Biotin                                                                                                                    |
| Alternative Catalog Number | BOB-A04636-2-BIOTIN-100UG                                                                                                          |
| Manufacturer               | Boster Bio                                                                                                                         |
| Host                       | Rabbit                                                                                                                             |
| Category                   | Antikörper                                                                                                                         |
| Application                | ELISA, IHC, WB                                                                                                                     |
| Species Reactivity         | Human                                                                                                                              |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human MAFG, identical to the related mouse and rat sequences. |
| Clonality                  | Polyclonal                                                                                                                         |
| NCBI                       | <a href="#">4097</a>                                                                                                               |
| UniProt                    | <a href="#">O15525</a>                                                                                                             |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                        |
| Purity                     | Immunogen affinity purified.                                                                                                       |
| Form                       | Liquid                                                                                                                             |
| Target                     | Transcription factor MafG                                                                                                          |

|                    |                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------|
| Application Dilute | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
|--------------------|------------------------------------------------------------------------------------------------------------|
