| Article Name               | Anti-RPS3A Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                                               |
| Biozol Catalog Number      | BOB-A05268-1-APC                                                                                                                                              |
| Supplier Catalog Number    | A05268-1-APC                                                                                                                                                  |
| Alternative Catalog Number | BOB-A05268-1-APC-100UG                                                                                                                                        |
| Manufacturer               | Boster Bio                                                                                                                                                    |
| Host                       | Rabbit                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                    |
| Application                | FC                                                                                                                                                            |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                             |
| Immunogen                  | E.coli-derived human RPS3A recombinant protein (Position: K18-R146). Human RPS3A shares 100% amino acid (aa) sequence identity with both mouse and rat RPS3A. |
| Clonality                  | Polyclonal                                                                                                                                                    |
| Molecular Weight           | Calculated Molecular Weight: 30 kDa                                                                                                                           |
| NCBI                       | <a href="#">6189</a>                                                                                                                                          |
| UniProt                    | <a href="#">P61247</a>                                                                                                                                        |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                   |
| Purity                     | Immunogen affinity purified.                                                                                                                                  |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | Small ribosomal subunit protein eS1           |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
