| Article Name               | Anti-Alpha 1B-Glycoprotein/A1BG Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                       |
| Biozol Catalog Number      | BOB-A07289-2-APC                                                                                                                                           |
| Supplier Catalog Number    | A07289-2-APC                                                                                                                                               |
| Alternative Catalog Number | BOB-A07289-2-APC-100UG                                                                                                                                     |
| Manufacturer               | Boster Bio                                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                                     |
| Category                   | Antikörper                                                                                                                                                 |
| Application                | FC                                                                                                                                                         |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                          |
| Immunogen                  | E.coli-derived human IDI1 recombinant protein (Position: M1-M227). Human IDI1 shares 86.8% amino acid (aa) sequence identity with both mouse and rat IDI1. |
| Clonality                  | Polyclonal                                                                                                                                                 |
| Molecular Weight           | Calculated Molecular Weight: 52588 MW                                                                                                                      |
| NCBI                       | <a href="#">1</a>                                                                                                                                          |
| UniProt                    | <a href="#">P04217</a>                                                                                                                                     |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | Alpha-1B-glycoprotein                         |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
