| Article Name               | Anti-SLIRP Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                                                             |
| Biozol Catalog Number      | BOB-A08297-1-FLUORO550                                                                                                                            |
| Supplier Catalog Number    | A08297-1-Fluoro550                                                                                                                                |
| Alternative Catalog Number | BOB-A08297-1-FLUORO550-100UG                                                                                                                      |
| Manufacturer               | Boster Bio                                                                                                                                        |
| Host                       | Rabbit                                                                                                                                            |
| Category                   | Antikörper                                                                                                                                        |
| Application                | FC                                                                                                                                                |
| Species Reactivity         | Human                                                                                                                                             |
| Immunogen                  | E.coli-derived human SLIRP recombinant protein (Position: A11-F109). Human SLIRP shares 77.8% amino acid (aa) sequence identity with mouse SLIRP. |
| Clonality                  | Polyclonal                                                                                                                                        |
| Molecular Weight           | Calculated Molecular Weight: 12 kDa                                                                                                               |
| NCBI                       | <a href="#">81892</a>                                                                                                                             |
| UniProt                    | <a href="#">Q9GZT3</a>                                                                                                                            |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                       |
| Purity                     | Immunogen affinity purified.                                                                                                                      |

|                    |                                                              |
|--------------------|--------------------------------------------------------------|
| Form               | Liquid                                                       |
| Target             | SRA stem-loop-interacting RNA-binding protein, mitochondrial |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells                |
