## Product Datasheet

### **Anti-Kallistatin/PI-4/SERPINA4 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal BOB-A08426-HRP**

|                            |                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------|
| Article Name               | Anti-Kallistatin/PI-4/SERPINA4 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal       |
| Biozol Catalog Number      | BOB-A08426-HRP                                                                            |
| Supplier Catalog Number    | A08426-HRP                                                                                |
| Alternative Catalog Number | BOB-A08426-HRP-100UG                                                                      |
| Manufacturer               | Boster Bio                                                                                |
| Host                       | Rabbit                                                                                    |
| Category                   | Antikörper                                                                                |
| Application                | ELISA, IHC, WB                                                                            |
| Species Reactivity         | Human, Monkey, Rat                                                                        |
| Immunogen                  | E.coli-derived human Kallistatin/PI-4/SERPINA4 recombinant protein (Position: H147-A373). |
| Clonality                  | Polyclonal                                                                                |
| Molecular Weight           | Calculated Molecular Weight: 82457 MW                                                     |
| NCBI                       | <a href="#">5267</a>                                                                      |
| UniProt                    | <a href="#">P29622</a>                                                                    |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .       |
| Purity                     | Immunogen affinity purified.                                                              |

|                    |                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------|
| Form               | Liquid                                                                                                     |
| Target             | Disintegrin and metalloproteinase domain-containing protein 2                                              |
| Application Dilute | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
