| Manufacturer               | Boster Bio                                                                                                                                                                                                                                                   |
| Host                       | Rabbit                                                                                                                                                                                                                                                       |
| Category                   | Antikörper                                                                                                                                                                                                                                                   |
| Application                | ELISA, IHC, WB                                                                                                                                                                                                                                               |
| Species Reactivity         | Human                                                                                                                                                                                                                                                        |
| Immunogen                  | E.coli-derived human HECTD1 recombinant protein (Position: D39-S566).                                                                                                                                                                                        |
| Product Description        | Boster Bio Anti-HECTD1 Antibody Picoband catalog A08428-2. Tested in ELISA, IHC, WB applications. This antibody reacts with Human. The brand Picoband indicates this is a premium antibody that guarantees superior quality, high affinity, and strong si... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                   |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molecular Weight           | Observed Molecular Weight: 290 kDa. Calculated Molecular Weight: 82457 MW                                                                                                                                                                                    |
| NCBI                       | <a href="#">25831</a>                                                                                                                                                                                                                                        |

|                    |                                                                                                                               |
|--------------------|-------------------------------------------------------------------------------------------------------------------------------|
| UniProt            | <a href="#">Q9ULT8</a>                                                                                                        |
| Buffer             | Each vial contains 4 mg Trehalose, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                     |
| Purity             | Immunogen affinity purified.                                                                                                  |
| Form               | Lyophilized                                                                                                                   |
| Target             | E3 ubiquitin-protein ligase HECTD1                                                                                            |
| Application Dilute | Western blot, 0.25-0.5 µg/ml, Human Immunohistochemistry(Paraffin-embedded Section), 2-5 µg/ml, Human ELISA, 0.1-0.5 µg/ml, - |
