| Article Name               | Anti-NETO2 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                                                                                             |
| Biozol Catalog Number      | BOB-A09555-1-FLUORO550                                                                                                                                                            |
| Supplier Catalog Number    | A09555-1-Fluoro550                                                                                                                                                                |
| Alternative Catalog Number | BOB-A09555-1-FLUORO550-100UG                                                                                                                                                      |
| Manufacturer               | Boster Bio                                                                                                                                                                        |
| Host                       | Rabbit                                                                                                                                                                            |
| Category                   | Antikörper                                                                                                                                                                        |
| Application                | FC                                                                                                                                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                 |
| Immunogen                  | E.coli-derived human NETO2 recombinant protein (Position: I23-F525). Human NETO2 shares 97.8% and 97.4% amino acid (aa) sequence identity with mouse and rat NETO2, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                        |
| NCBI                       | <a href="#">81831</a>                                                                                                                                                             |
| UniProt                    | <a href="#">Q8NC67</a>                                                                                                                                                            |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                       |
| Purity                     | Immunogen affinity purified.                                                                                                                                                      |
| Form                       | Liquid                                                                                                                                                                            |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Target             | Neuropilin and tolloid-like protein 2         |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
