| Article Name               | Anti-PGLYRP2 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                                                  |
| Biozol Catalog Number      | BOB-A09568-FLUORO594                                                                                                                                     |
| Supplier Catalog Number    | A09568-Fluoro594                                                                                                                                         |
| Alternative Catalog Number | BOB-A09568-FLUORO594-100UG                                                                                                                               |
| Manufacturer               | Boster Bio                                                                                                                                               |
| Host                       | Rabbit                                                                                                                                                   |
| Category                   | Antikörper                                                                                                                                               |
| Application                | FC                                                                                                                                                       |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                        |
| Immunogen                  | E.coli-derived human PGLYRP2 recombinant protein (Position: D198-Q524). Human PGLYRP2 shares 79.2% amino acid (aa) sequence identity with mouse PGLYRP2. |
| Clonality                  | Polyclonal                                                                                                                                               |
| NCBI                       | <a href="#">114770</a>                                                                                                                                   |
| UniProt                    | <a href="#">Q96PD5</a>                                                                                                                                   |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                              |
| Purity                     | Immunogen affinity purified.                                                                                                                             |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | N-acetylmuramoyl-L-alanine amidase            |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
