| Article Name               | Anti-IARS2 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                                                          |
| Biozol Catalog Number      | BOB-A09580-2-FLUORO594                                                                                                                                         |
| Supplier Catalog Number    | A09580-2-Fluoro594                                                                                                                                             |
| Alternative Catalog Number | BOB-A09580-2-FLUORO594-100UG                                                                                                                                   |
| Manufacturer               | Boster Bio                                                                                                                                                     |
| Host                       | Rabbit                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                     |
| Application                | FC                                                                                                                                                             |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                              |
| Immunogen                  | E.coli-derived human OTUB1 recombinant protein (Position: K10-K271). Human OTUB1 shares 99.6% amino acid (aa) sequence identity with both mouse and rat OTUB1. |
| Clonality                  | Polyclonal                                                                                                                                                     |
| Molecular Weight           | Calculated Molecular Weight: 52588 MW                                                                                                                          |
| NCBI                       | <a href="#">55699</a>                                                                                                                                          |
| UniProt                    | <a href="#">Q9NSE4</a>                                                                                                                                         |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                    |
| Purity                     | Immunogen affinity purified.                                                                                                                                   |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | Isoleucine--tRNA ligase, mitochondrial        |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
