| Article Name               | Anti-RNF220 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                                              |
| Biozol Catalog Number      | BOB-A11818-1-FLUORO594                                                                                                                              |
| Supplier Catalog Number    | A11818-1-Fluoro594                                                                                                                                  |
| Alternative Catalog Number | BOB-A11818-1-FLUORO594-100UG                                                                                                                        |
| Manufacturer               | Boster Bio                                                                                                                                          |
| Host                       | Rabbit                                                                                                                                              |
| Category                   | Antikörper                                                                                                                                          |
| Application                | FC                                                                                                                                                  |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                   |
| Immunogen                  | E.coli-derived human RNF220 recombinant protein (Position: M1-L566). Human RNF220 shares 97.9% amino acid (aa) sequence identity with mouse RNF220. |
| Clonality                  | Polyclonal                                                                                                                                          |
| Molecular Weight           | Calculated Molecular Weight: 63 kDa                                                                                                                 |
| NCBI                       | <a href="#">55182</a>                                                                                                                               |
| UniProt                    | <a href="#">Q5VTB9</a>                                                                                                                              |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                         |
| Purity                     | Immunogen affinity purified.                                                                                                                        |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | E3 ubiquitin-protein ligase RNF220            |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
