| Article Name               | Anti-PCP2 Antibody Picoband PE Conjugated, Rabbit, Polyclonal                                                                                               |
| Biozol Catalog Number      | BOB-A11927-1-PE                                                                                                                                             |
| Supplier Catalog Number    | A11927-1-PE                                                                                                                                                 |
| Alternative Catalog Number | BOB-A11927-1-PE-100UG                                                                                                                                       |
| Manufacturer               | Boster Bio                                                                                                                                                  |
| Host                       | Rabbit                                                                                                                                                      |
| Category                   | Antikörper                                                                                                                                                  |
| Application                | FC                                                                                                                                                          |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                           |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of human PCP2. Human PCP2 shares 90.9% amino acid (aa) sequence identity with mouse PCP2. |
| Clonality                  | Polyclonal                                                                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 15 kDa                                                                                                                         |
| NCBI                       | <a href="#">126006</a>                                                                                                                                      |
| UniProt                    | <a href="#">Q8IVA1</a>                                                                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                 |
| Purity                     | Immunogen affinity purified.                                                                                                                                |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | Purkinje cell protein 2 homolog               |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
