| Article Name               | Anti-IRGQ Antibody Picoband PE Conjugated, Rabbit, Polyclonal                                                                                    |
| Biozol Catalog Number      | BOB-A17389-1-PE                                                                                                                                  |
| Supplier Catalog Number    | A17389-1-PE                                                                                                                                      |
| Alternative Catalog Number | BOB-A17389-1-PE-100UG                                                                                                                            |
| Manufacturer               | Boster Bio                                                                                                                                       |
| Host                       | Rabbit                                                                                                                                           |
| Category                   | Antikörper                                                                                                                                       |
| Application                | FC                                                                                                                                               |
| Species Reactivity         | Human                                                                                                                                            |
| Immunogen                  | E.coli-derived human IRGQ recombinant protein (Position: D7-Q623).<br>Human IRGQ shares 78.2% amino acid (aa) sequence identity with mouse IRGQ. |
| Clonality                  | Polyclonal                                                                                                                                       |
| NCBI                       | <a href="#">126298</a>                                                                                                                           |
| UniProt                    | <a href="#">Q8WZA9</a>                                                                                                                           |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                      |
| Purity                     | Immunogen affinity purified.                                                                                                                     |
| Form                       | Liquid                                                                                                                                           |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Target             | Immunity-related GTPase family Q protein      |
| Application Dilute | Flow Cytometry, 1-3μg/1x10 <sup>6</sup> cells |
