| Clonality                  | Polyclonal                                                                                                                |
| Molecular Weight           | Calculated Molecular Weight: 16693 MW                                                                                     |
| NCBI                       | <a href="#">43740578</a>                                                                                                  |
| UniProt                    | <a href="#">P0DTC1</a>                                                                                                    |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .               |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | P2X purinoceptor 1                            |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
