| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                                                                                                                    |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | T-cell surface glycoprotein CD3 zeta chain    |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
