### Anti-Zebrafish IDH3B Antibody Biotin Conjugated, Rabbit, Polyclonal BOB-AZA0A2R8QPC9-BIOTIN

|                            |                                                                                                              |
|----------------------------|--------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-Zebrafish IDH3B Antibody Biotin Conjugated, Rabbit, Polyclonal                                          |
| Biozol Catalog Number      | BOB-AZA0A2R8QPC9-BIOTIN                                                                                      |
| Supplier Catalog Number    | AZA0A2R8QPC9-Biotin                                                                                          |
| Alternative Catalog Number | BOB-AZA0A2R8QPC9-BIOTIN-100UG                                                                                |
| Manufacturer               | Boster Bio                                                                                                   |
| Host                       | Rabbit                                                                                                       |
| Category                   | Antikörper                                                                                                   |
| Species Reactivity         | Zebrafish                                                                                                    |
| Immunogen                  | E.coli-derived zebrafish IDH3B recombinant protein (Position: T33-D363)                                      |
| Clonality                  | Polyclonal                                                                                                   |
| NCBI                       | <a href="#">415247</a>                                                                                       |
| UniProt                    | <a href="#">A0A2R8QPC9</a>                                                                                   |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                 |
| Form                       | Liquid                                                                                                       |
| Target                     | Isocitrate dehydrogenase [NAD] subunit, mitochondrial                                                        |
