## Product Datasheet

**Anti-Zebrafish GRIN1a/b Antibody Fluoro488 Conjugated, Rabbit,  
Polyclonal  
BOB-AZF1R366-FLUORO488**

|                            |                                                                                                             |

| Article Name               | Anti-Zebrafish GRIN1a/b Antibody Fluoro488 Conjugated, Rabbit, Polyclonal                                   |
| Biozol Catalog Number      | BOB-AZF1R366-FLUORO488                                                                                      |
| Supplier Catalog Number    | AZF1R366-Fluoro488                                                                                          |
| Alternative Catalog Number | BOB-AZF1R366-FLUORO488-100UG                                                                                |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Species Reactivity         | Zebrafish                                                                                                   |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of zebrafish GRIN1a/b.                    |
| Clonality                  | Polyclonal                                                                                                  |
| NCBI                       | <a href="#">767745</a>                                                                                      |
| UniProt                    | <a href="#">F1R366</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |
| Form                       | Liquid                                                                                                      |
| Target                     | Glutamate receptor                                                                                          |
