## Product Datasheet

**Anti-Zebrafish MSTNA Antibody Picoband Fluoro488 Conjugated, Rabbit,  
Polyclonal  
BOB-AZQ68IN2-FLUORO488**

|                            |                                                                                 |
|----------------------------|---------------------------------------------------------------------------------|
| Article Name               | Anti-Zebrafish MSTNA Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal |
| Biozol Catalog Number      | BOB-AZQ68IN2-FLUORO488                                                          |
| Supplier Catalog Number    | AZQ68IN2-Fluoro488                                                              |
| Alternative Catalog Number | BOB-AZQ68IN2-FLUORO488-100UG                                                    |
| Manufacturer               | Boster Bio                                                                      |
| Host                       | Rabbit                                                                          |
| Category                   | Antikörper                                                                      |
| Species Reactivity         | Zebrafish                                                                       |
| Immunogen                  | E.coli-derived Zebrafish MSTNA recombinant protein (Position: Q29-N228).        |
| Clonality                  | Polyclonal                                                                      |
| NCBI                       | <a href="#">445816</a>                                                          |
| UniProt                    | <a href="#">Q68IN2</a>                                                          |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na2HPO4, 0.02% NaN3.           |
| Purity                     | Immunogen affinity purified.                                                    |
| Form                       | Liquid                                                                          |
| Target                     | Growth/differentiation factor 8                                                 |
