## Product Datasheet

**Anti-Zebrafish MAEA Antibody Picoband Cy3 Conjugated, Rabbit,  
Polyclonal  
BOB-AZQ7SXR3-CY3**

|                            |                                                                                                              |
|----------------------------|--------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-Zebrafish MAEA Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                                     |
| Biozol Catalog Number      | BOB-AZQ7SXR3-CY3                                                                                             |
| Supplier Catalog Number    | AZQ7SXR3-Cy3                                                                                                 |
| Alternative Catalog Number | BOB-AZQ7SXR3-CY3-100UG                                                                                       |
| Manufacturer               | Boster Bio                                                                                                   |
| Host                       | Rabbit                                                                                                       |
| Category                   | Antikörper                                                                                                   |
| Species Reactivity         | Zebrafish                                                                                                    |
| Immunogen                  | E.coli-derived zebrafish MAEA recombinant protein (Position: M1-E349)                                        |
| Clonality                  | Polyclonal                                                                                                   |
| NCBI                       | <a href="#">321575</a>                                                                                       |
| UniProt                    | <a href="#">Q7SXR3</a>                                                                                       |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                 |
| Form                       | Liquid                                                                                                       |
| Target                     | E3 ubiquitin-protein transferase MAEA                                                                        |
