## Product Datasheet

### Anti-Zebrafish LDHBA Antibody Picoband FITC Conjugated, Rabbit, Polyclonal BOB-AZQ9PVK4-FITC

|                            |                                                                                                             |
|----------------------------|-------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-Zebrafish LDHBA Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                  |
| Biozol Catalog Number      | BOB-AZQ9PVK4-FITC                                                                                           |
| Supplier Catalog Number    | AZQ9PVK4-FITC                                                                                               |
| Alternative Catalog Number | BOB-AZQ9PVK4-FITC-100UG                                                                                     |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Species Reactivity         | Zebrafish                                                                                                   |
| Immunogen                  | E.coli-derived Zebrafish LDHBA recombinant protein (Position: M1-L334).                                     |
| Clonality                  | Polyclonal                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 36 kDa                                                                         |
| NCBI                       | <a href="#">30497</a>                                                                                       |
| UniProt                    | <a href="#">Q9PVK4</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |
| Form                       | Liquid                                                                                                      |

|        |                                   |
|--------|-----------------------------------|
| Target | L-lactate dehydrogenase B-A chain |
|--------|-----------------------------------|
