## Product Datasheet

**Anti-Zebrafish ALAS2 Antibody Picoband FITC Conjugated, Rabbit,  
Polyclonal  
BOB-AZQ9YHT4-FITC**

|                            |                                                                                                              |
|----------------------------|--------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-Zebrafish ALAS2 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                   |
| Biozol Catalog Number      | BOB-AZQ9YHT4-FITC                                                                                            |
| Supplier Catalog Number    | AZQ9YHT4-FITC                                                                                                |
| Alternative Catalog Number | BOB-AZQ9YHT4-FITC-100UG                                                                                      |
| Manufacturer               | Boster Bio                                                                                                   |
| Host                       | Rabbit                                                                                                       |
| Category                   | Antikörper                                                                                                   |
| Species Reactivity         | Zebrafish                                                                                                    |
| Immunogen                  | E.coli-derived Zebrafish ALAS2 recombinant protein (Position: G16-Q583).                                     |
| Clonality                  | Polyclonal                                                                                                   |
| NCBI                       | <a href="#">64607</a>                                                                                        |
| UniProt                    | <a href="#">Q9YHT4</a>                                                                                       |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                 |
| Form                       | Liquid                                                                                                       |
| Target                     | 5-aminolevulinate synthase, erythroid-specific, mitochondrial                                                |
