| Article Name               | Anti-Epstein-Barr Virus BdRF1 Antibody Biotin Conjugated, Rabbit, Polyclonal                                 |
| Biozol Catalog Number      | BOB-DZ41562-BIOTIN                                                                                           |
| Supplier Catalog Number    | DZ41562-Biotin                                                                                               |
| Alternative Catalog Number | BOB-DZ41562-BIOTIN-200UL                                                                                     |
| Manufacturer               | Boster Bio                                                                                                   |
| Host                       | Rabbit                                                                                                       |
| Category                   | Antikörper                                                                                                   |
| Application                | ELISA, IHC, WB                                                                                               |
| Species Reactivity         | Virus                                                                                                        |
| Clonality                  | Polyclonal                                                                                                   |
| Concentration              | 500 µg/ml                                                                                                    |
| UniProt                    | <a href="#">P03234</a>                                                                                       |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> N. |
| Purity                     | Immunogen affinity purified.                                                                                 |
| Form                       | Liquid                                                                                                       |
| Target                     | Capsid scaffolding protein                                                                                   |

|                    |                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------|
| Application Dilute | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
|--------------------|------------------------------------------------------------------------------------------------------------|
