| Article Name               | Anti-IDH1 Antibody Picoband (monoclonal, 16H7) FITC Conjugated, Clone: [Clone: 16H7], Mouse, Monoclonal                                                |
| Biozol Catalog Number      | BOB-M00129-1-FITC                                                                                                                                      |
| Supplier Catalog Number    | M00129-1-FITC                                                                                                                                          |
| Alternative Catalog Number | BOB-M00129-1-FITC-100UG                                                                                                                                |
| Manufacturer               | Boster Bio                                                                                                                                             |
| Host                       | Mouse                                                                                                                                                  |
| Category                   | Antikörper                                                                                                                                             |
| Application                | FC                                                                                                                                                     |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                      |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human IDH1, different from the related mouse and rat sequences by one amino acid. |
| Clonality                  | Monoclonal                                                                                                                                             |
| Clone Designation          | [Clone: 16H7]                                                                                                                                          |
| Molecular Weight           | Calculated Molecular Weight: 46659 MW                                                                                                                  |
| NCBI                       | <a href="#">3417</a>                                                                                                                                   |
| UniProt                    | <a href="#">O75874</a>                                                                                                                                 |

|                    |                                                                                                              |
|--------------------|--------------------------------------------------------------------------------------------------------------|
| Buffer             | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> . |
| Purity             | Immunogen affinity purified.                                                                                 |
| Form               | Liquid                                                                                                       |
| Target             | Isocitrate dehydrogenase [NADP] cytoplasmic                                                                  |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells                                                                |
