| Manufacturer               | Boster Bio                                                                                                                                                                      |
| Host                       | Rabbit                                                                                                                                                                          |
| Category                   | Antikörper                                                                                                                                                                      |
| Application                | FC, ICC, IF, IHC, WB                                                                                                                                                            |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                               |
| Immunogen                  | A synthesized peptide derived from human Hsp70                                                                                                                                  |
| Product Description        | Boster Bio Anti-Hsp70 HSPA1A Rabbit Monoclonal Antibody catalog M00949. Tested in WB, IHC, ICC/IF, Flow Cytometry applications. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Monoclonal                                                                                                                                                                      |
| Concentration              | 0.5mg/ml                                                                                                                                                                        |
| Clone Designation          | [Clone: DGE-8]                                                                                                                                                                  |
| Molecular Weight           | Observed Molecular Weight: 10 kDa. Calculated Molecular Weight: 70052 MW                                                                                                        |
| NCBI                       | <a href="#">3303</a>                                                                                                                                                            |

|                    |                                                                                                                     |
