| Article Name               | Anti-IGF2R Antibody Picoband (monoclonal, 4I11) FITC Conjugated, Clone: [Clone: 4I11], Mouse, Monoclonal    |
| Biozol Catalog Number      | BOB-M00951-1-FITC                                                                                           |
| Supplier Catalog Number    | M00951-1-FITC                                                                                               |
| Alternative Catalog Number | BOB-M00951-1-FITC-100UG                                                                                     |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Mouse                                                                                                       |
| Category                   | Antikörper                                                                                                  |
| Application                | FC                                                                                                          |
| Species Reactivity         | Human                                                                                                       |
| Immunogen                  | E. coli-derived human IGF2R recombinant protein (Position: F424-R529).                                      |
| Clonality                  | Monoclonal                                                                                                  |
| Clone Designation          | [Clone: 4I11]                                                                                               |
| NCBI                       | <a href="#">3482</a>                                                                                        |
| UniProt                    | <a href="#">P11717</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |

|                    |                                                 |
|--------------------|-------------------------------------------------|
| Form               | Liquid                                          |
| Target             | Cation-independent mannose-6-phosphate receptor |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells   |
