## Product Datasheet

### Anti-PARN Antibody Picoband (monoclonal, 11D8) Fluoro647 Conjugated, Clone: [Clone: 11D8], Mouse, Monoclonal BOB-M01501-FLUORO647

|                            |                                                                                                              |
|----------------------------|--------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-PARN Antibody Picoband (monoclonal, 11D8) Fluoro647 Conjugated, Clone: [Clone: 11D8], Mouse, Monoclonal |
| Biozol Catalog Number      | BOB-M01501-FLUORO647                                                                                         |
| Supplier Catalog Number    | M01501-Fluoro647                                                                                             |
| Alternative Catalog Number | BOB-M01501-FLUORO647-100UG                                                                                   |
| Manufacturer               | Boster Bio                                                                                                   |
| Host                       | Mouse                                                                                                        |
| Category                   | Antikörper                                                                                                   |
| Application                | FC                                                                                                           |
| Species Reactivity         | Human, Monkey, Mouse, Rat                                                                                    |
| Immunogen                  | E. coli-derived human PARN recombinant protein (Position: M1-Y301).                                          |
| Clonality                  | Monoclonal                                                                                                   |
| Clone Designation          | [Clone: 11D8]                                                                                                |
| NCBI                       | <a href="#">5073</a>                                                                                         |
| UniProt                    | <a href="#">O95453</a>                                                                                       |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .  |
| Purity                     | Immunogen affinity purified.                                                                                 |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | Poly                                          |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
