| Article Name               | Anti-Hexokinase 1/HK1 Antibody Picoband (monoclonal, 2I4) Biotin Conjugated, Clone: [Clone: 2I4], Mouse, Monoclonal |
| Biozol Catalog Number      | BOB-M01504-1-BIOTIN                                                                                                 |
| Supplier Catalog Number    | M01504-1-Biotin                                                                                                     |
| Alternative Catalog Number | BOB-M01504-1-BIOTIN-100UG                                                                                           |
| Manufacturer               | Boster Bio                                                                                                          |
| Host                       | Mouse                                                                                                               |
| Category                   | Antikörper                                                                                                          |
| Application                | ELISA, IHC, WB                                                                                                      |
| Species Reactivity         | Human, Mouse, Rat                                                                                                   |
| Immunogen                  | E.coli-derived human Hexokinase 1/HK1 recombinant protein (Position: D17-R323).                                     |
| Clonality                  | Monoclonal                                                                                                          |
| Clone Designation          | [Clone: 2I4]                                                                                                        |
| NCBI                       | <a href="#">3098</a>                                                                                                |
| UniProt                    | <a href="#">P19367</a>                                                                                              |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .         |
| Purity                     | Immunogen affinity purified.                                                                                        |

|                    |                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------|
| Form               | Liquid                                                                                                     |
| Target             | Hexokinase-1                                                                                               |
| Application Dilute | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
