| Article Name               | Anti-FABP4 Antibody Picoband (monoclonal, 10E12) Fluoro594<br>Conjugated, Clone: [Clone: 10E12], Mouse, Monoclonal                  |
| Biozol Catalog Number      | BOB-M01528-2-FLUORO594                                                                                                              |
| Supplier Catalog Number    | M01528-2-Fluoro594                                                                                                                  |
| Alternative Catalog Number | BOB-M01528-2-FLUORO594-100UG                                                                                                        |
| Manufacturer               | Boster Bio                                                                                                                          |
| Host                       | Mouse                                                                                                                               |
| Category                   | Antikörper                                                                                                                          |
| Application                | FC                                                                                                                                  |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                   |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of human FABP4, identical to the related mouse and rat sequences. |
| Clonality                  | Monoclonal                                                                                                                          |
| Clone Designation          | [Clone: 10E12]                                                                                                                      |
| NCBI                       | <a href="#">2167</a>                                                                                                                |
| UniProt                    | <a href="#">P15090</a>                                                                                                              |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                         |
| Purity                     | Immunogen affinity purified.                                                                                                        |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | Fatty acid-binding protein, adipocyte         |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
