| Article Name               | Anti-KPNB1 Antibody Picoband (monoclonal, 3I11F2) Fluoro550<br>Conjugated, Clone: [Clone: 3I11F2], Mouse, Monoclonal |
| Biozol Catalog Number      | BOB-M01851-2-FLUORO550                                                                                               |
| Supplier Catalog Number    | M01851-2-Fluoro550                                                                                                   |
| Alternative Catalog Number | BOB-M01851-2-FLUORO550-100UG                                                                                         |
| Manufacturer               | Boster Bio                                                                                                           |
| Host                       | Mouse                                                                                                                |
| Category                   | Antikörper                                                                                                           |
| Application                | FC                                                                                                                   |
| Species Reactivity         | Human, Mouse, Rat                                                                                                    |
| Immunogen                  | E.coli-derived human KPNB1 recombinant protein (Position: E8-A876).                                                  |
| Clonality                  | Monoclonal                                                                                                           |
| Clone Designation          | [Clone: 3I11F2]                                                                                                      |
| Molecular Weight           | Calculated Molecular Weight: 97 kDa                                                                                  |
| NCBI                       | <a href="#">3837</a>                                                                                                 |
| UniProt                    | <a href="#">Q14974</a>                                                                                               |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .          |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | Importin subunit beta-1                       |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
